OUR FLORIST

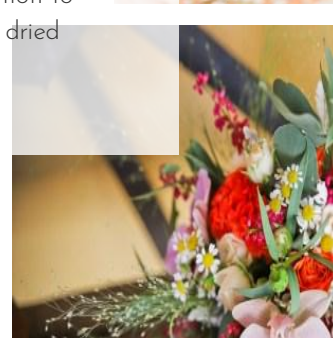

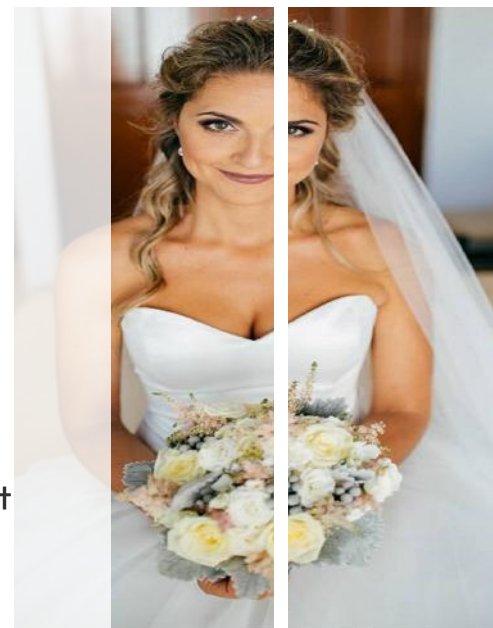

For the full wedding package, meet our florist Céu!

" At Flores do Céu, we aim to provide something very meaningful for you. Each floral composition is designed so you can express your feelings through flowers at a memorable moment in your life.

We pursue to merge your personal taste with our creativity, using a fresh and a wide collection of blooms and greenery that are thoughtfully selected.

We strive to provide our customers with the highest quality all the time. Our fresh flowers come mostly from local growers, which, in addition to the season blooms, sometimes provide us real treasures.

We also work with a selection of international sellers, so we can have more variety. In addition to fresh flowers, we also work with preserved, dried and artificial flowers".
